

Price list

1. Definitions

Our Price List should be read in conjunction with our Terms and Conditions, where you may find all the defined terms used in our Price list.

2. Free services

Compensair does not charge anything for consulting services, providing access to the Software and other services, until compensation is received by Compensair or the Client.

3. Service Fee

When the Client receives Flight Compensation, Compensair is entitled to its Commission, which will be deducted from Compensation or payed by the Client directly to Compensair in the possible manner.

For all Cases with air companies from the list* the Commission is 25% of the received Compensation.

For all other Cases the Commission is 30% of the received Compensation.

4. Legal Service Fee

In case of legal proceedings Compensair collects overriding commission in amount of 10% of the remaining amount.

5. Additional expense

The Client incurs all additional expenses for money transfer.

6. VAT

All the commission Compensair collects is excluding VAT.

7. Flight Compensation Amount Guarantee

Compensair guarantees that the Client will always get the correct amount of compensation. If the Client's case is in European Union area, the Client is guaranteed the correct amount in EUR. If the Client's case is out of European Union area, the Client is guaranteed the correct amount in the applicable currency in accordance with the current exchange rate.
